**1      30<sup>th</sup> October 2005                      Psalms 5; 22; 25**

**Psalm 5:7**

As for us, we will enter the Lord’s house through the abundance of His steadfast love and mercy; we will worship toward, and at His holy temple in reverent fear and awe of Him.

**Psalm 22:27**

All the ends of the earth shall remember and turn to the Lord, and all the families of the nations shall bow down and worship before Him.

**Psalm 25:14**

We know the secret of the sweet satisfying companionship of the Lord, because we fear, revere and worship Him, and He shows us His covenant and reveals to us its deep inner meaning.

**2      6<sup>th</sup> November 2005                      Banqueting Table**

As I waited on the Lord this morning, He showed me a banqueting table set with the finest crockery and cutlery, but at each place there was something different – some had a plate of meat and vegetables, others had a tall glass of sparkling water, others a glass of milk, others dessert, some just fruit, and I sensed Him saying:

“As your Father, I am calling you to come and feast today – some are weary of going their own way and sense life has no meaning. The water of life is for you, drawn near and drink deeply and receive life, and we will come and dwell with you.

For those not ready for chewing, there is the milk of the Word. For those that only want encouragement and love, the dessert is for you. For those that only need a little nourishment, the fruit is for you; those who are hankering after the meat and deep things of the Word, I have prepared for you! Step up to the table – I am calling the family together – let us sup together with grateful hearts!”

### **Giant Wire Cutters**

This morning God showed me giant wire cutters cutting through a barbed wire fence and I believe He is saying:

“For some there is a sense of restriction, a feeling of holding back – there are barriers or hurdles in your life and you long for freedom – you long to enter the green pastures and drink from the river of life with freedom and abandon. I am here today to clear the way.

By my Spirit I sever the barbed wire in your lives – that snares and restricts – I lift the ceilings that you or others have imposed, and by My Spirit I say ‘liberty, freedom enter my rest’ – cease from your strivings – your chains are loosed – wear the robes of righteousness that I purchased at Calvary – I am here to lift the burdens – take the shackles from off your feet – I want to give you a song, a dance – I want to fill your wineskin with new wine. I want to do a makeover so you can cross over, never to be the same again”.

### **4 1<sup>st</sup> January 2006**

### **Three Things for 2006**

As I was washing my face this morning, the Lord said “There are three things!” So I quickly grabbed my pad, and here they are:-

This year –

- (i) Growth is going to be accelerated
- (ii) Strong leadership is being raised
- (iii) Financial security and strength

I asked the Lord to expand on each and I sensed Him saying:

“I will build my church and the gates of hell will not prevail against it! Many will come and be drawn because love for Me and for one another has been established in this place. There will be a network of caring, so that none slip through the net and are lost – each one will be accounted for and each one will have a sense of belonging.

The preached word will give handles for the reconstruction of lives. I am raising up leaders with integrity and excellence as hallmarks in their lives – also an enthusiasm for My Kingdom which will be infectious. Many in the body will be blessed financially, not so that they can be indulged individually, but so that they can sow into the furtherance of the Kingdom – their tithing and sowing will not be legalistic, but will be out of love for ME and be done with liberality and generosity.

## **5 15<sup>th</sup> January 2006 Sailing Ship**

I saw a sailing ship – an ocean going yacht and I knew straight away that the Lord had a message for us. The spinnaker and the other sails were unfurled and the yacht was traveling with purpose and direction – heading due North, and I sense God saying:

“As a body you are moving forward – you are on course, but all hands must be on deck to maintain momentum – each one must take up position and man his post – there is no place for stowaways. The vessel is streamlined to make quick progress and all unnecessary baggage and equipment must be left on shore – each one must be attentive to the skipper and must equip himself for the job that is assigned to him.

It is my vessel, my body – I have chartered the course – set the compass and I am watching over it. I am providing all you need – availability and faithfulness are all I require of you”.

## **6 22<sup>nd</sup> January 2006 Bridal Wreath**

I saw a Willow tree beside a stream – the long slender branches dipping into the water – and then I saw the Lord take one and form it into a bridal wreath and I sense Him saying –

“My people, my bride, I am betrothed to you – I have covenanted with you and watch over you, as a husband watches over his bride. I am a jealous God and will not share My glory with another. I am here today to anoint, give blessing, heal, provide and meet with you. Come expectant – open your hearts to receive from Me – everything is possible for them that believe.

It is I who knit you together in your mother’s womb, and ‘tis I who is with you today – abandon yourselves to Me and call to Me and I will hear and answer in ways you cannot even conceive. I want to bless you corporately and individually, but choose to wait for you”.

Psalm 81:10

“I am the Lord your God, who brought you up out of Egypt. Open wide your mouth and I will fill it”.

## **7 25<sup>th</sup> January 2006 Prophetic Promises / Words**

“WORD” be opened up to SOME – clarify, desire be met. Eyes continually FIXED upon YOU!

## **8 5<sup>th</sup> March 2006**

## **Place of Tranquillity**

I saw the waves gently lapping on the sand – not high tide or low tide, and I sensed an incredible tranquility.

I sensed the Lord saying :

“Live in me, that is the place of tranquility – be encapsulated in me, where the storms and distractions cannot reach you. Be settled in me even when your circumstances are adverse and your world turns upside down – there is a haven, a place of separation reserved for you.

Run to me, I am your strong tower – I shelter you in the cleft of the rock and cover you with my hand. Take coverage when you feel bowed down and laid low – I am the lifter of your head. We meet in worship when your eyes are turned to me in adoration. I am all you need – I am Al Shaddai, your God of plenty. I meet your every need, reach out and allow me to take your hand and lead you to quiet waters”.

## **9 14<sup>th</sup> April 2006**

## **Flanders Poppy**

This morning the Lord showed me a Flanders poppy and I was reminded that those poppies sprung up in a field in France that was soaked with the blood of the many soldiers that fell in that place and I sense Him saying:

“My people you are blessed by the indwelling Christ because of His blood that was shed at Calvary – you have grown on the soil of His sacrifice and have enjoyed an intimate relationship with ME, because of His obedience to the call of the cross. You have forgiveness, healing, provision and eternal life because He willingly shed His blood for you. Rise up and take hold of the work of Calvary – it is My provision for you!”

## **10 16<sup>th</sup> April 2006**

## **Well being Opened up**

I saw a well being opened up and water gushing forth and I sense the Lord saying:

“Redig the ancient wells, open up the storehouses of life and provision that I have procured for you. Many have left the gifts and parcels wrapped and gathering dust on the shelves.

The well of my love, provision, healing, salvation and protection runs deep; all may gather and partake. Bring your empty vessels, as many as you have, and fill them to overflowing. There is an ample supply, there is an abundance to meet every need, to satisfy every longing and to quench every thirst”.

## **11      30<sup>th</sup> April 2006      Bridal Wreath & Full Length Veil**

I saw a bridal wreath and full length veil – one that completely covered the bride & I sense God saying to us.

“You are mine, I have set you apart – I am a jealous God and watch over you as a hen over her chicks – I gather you to myself and shelter you under the shadow of My wings. You are not your own – you have been purchased with the blood of Jesus – you are consecrated unto ME and I love you. Look to me as your bridegroom, the one who nurtures and protects you – whose plans for you are good plans. Stay in that position of rest beneath the veil – eyes on the Master.”

## **12    7<sup>th</sup> May 2006**

## **Sabbath Rest**

Phil. 4:11    “I have learned in whatever circumstances I am to be content.”

The amplified Bible puts it this way: “I have learned how to be content (satisfied to the point where I am not disturbed or disquieted) in whatever state I am”, and God just burst into my Spirit this morning and I believe He is saying:

“There is a Sabbath rest in me, a place of ‘being’ without hankering. A place of laying it all down and giving it all up, a place of quiet contentment, because you know I hold the reigns of your life. A place of accepting that I know what I am doing, a place of satisfied waiting. A place of being content with my timing, my direction and my unscrambling of you, and not just your circumstances. I know my purpose for you and when you settle and get to the end of yourself, I am just beginning”.

## **13    21<sup>st</sup> May 2006**

## **Planting of the Lord**

Since yesterday the Lord has been impressing on my spirit that we are “a planting of the Lord for his glory and splendour”. I waited on Him and sense Him saying:

“You are a planting of the Lord, both corporately and individually in your different settings. I am tending my garden and placing those for screening and protection in strategic places to counter the icy winds of adversity. There are those who produce shade so that new saplings will not be scorched by the noonday sun.

I am placing those fruit bearing trees where their roots can go down deep, so that the body is fed. There are those that are very tall and see afar off and understand the time. They give direction and keep the body on due North; each one has a position to man and a function to serve and together form an ecosystem that supports and nurtures and can move forward and expand, taking ground and being organic in my KINGDOM.”

**14 4<sup>th</sup> June 2006**

**Stone Bridge**

I saw a stone bridge over a narrow stream – a picturesque bridge, perhaps over a narrow stream in the country; not one designed for heavy traffic, but just a means for crossing the river, and I sense God saying:

“You in your corporateness are a bridge into this developing area; you are built on the rock Christ Jesus and are facilitators to enable my people to cross over into my kingdom, but as the flow of my Spirit increases and the living water flows in torrents, the expansion of your width will be essential, lest you become a bottleneck that restricts and limits.

Plan outwards, become ever wider, see the highways of my grace and favour being extended over you, a people of solid foundations, wide shoulders, big capacity people, people sacrificing and laying down their own visions and agenda for My visions and My plans.

**15 18<sup>th</sup> June 2006**

**Signposted Street**

I saw a well lit and signposted street and I sense God saying:-

“You are where I purposed for you to be; my light is shining all around, and my direction and drawing are all about you. Be sensitive to the Spirit and you will not be side-tracked and taken off course. You will hear my voice saying *This is the way, walk ye in it!*

When confusion comes, still all human wisdom and once again clarity will come, just as when muddy water is left to settle, wait and I say again, wait!

**16 23<sup>rd</sup> July 2006**

**Vegetable Garden**

I had a vision of a well tended and organized vegetable garden this morning, with a large variety of vegetables and salads growing prolifically and I sensed God saying to us as a body:

“I am a creative God and the variation and colourfulness of what I have made is endless. Some of these vegetables may be picked and eaten without lengthy preparation. Others need peeling, the protective outer wall needs to be carefully removed to reveal the goodness and heart inside. Some

are leafy and open, what you see is what they are. Others lie hidden beneath the surface of the ground and need to be lifted and washed before they are ready.

The herbs make an ordinary meal exotic, some have medicinal properties and are for the healing of the body, but all are essential for oneness and wholeness. None may be overlooked or abandoned to the compost heap. Each is vital and has been created for a purpose. Tend your garden well”.

**17 28<sup>th</sup> July 2006**

**Sunday School Teachers**

I love them, they are mine. Even as you love your children and want the best for them, so I love my children. It hurts when the input into their lives is rushed and half hearted. Even as you would want only the best teacher for your children, so I want the best of each of you for my children. You have each been called by Me and in your hearts I have placed a longing and a desire to serve Me in this area.

Even as I have called you, I will equip you, but as a soldier needs to go to the General to receive his orders, so each teacher needs to come to Me, individually each week, to receive the orders of the day. It is not so much the lessons that you teach, what is more important is obedience to My Spirit. When a child is hurting or discouraged, I will tell you to give them a hug. When one has news to share, I want you to take the time to listen and make them feel important, because they are so very important to Me. Welcome every child as I would welcome them.

The message of the heart of each teacher is even more important than the message of the mouth. Teach My Word, it will not return void, but wait on Me every Sunday; it is not so much the content of the message, but the obedience to My Spirit, and standing in the gap in prayer for covering and protection for my children. Take the time to protect them in prayer; as the herd stands together to protect their young, you need to stand together to protect my children.

**18 28<sup>th</sup> July 2006**

**Three Fountains of Life**

The Lord gave me a vision of three fountains, springs of life, wellness and prosperity and I asked for His message.

“My people, there are three fountains of life gushing forth in your midst. The central well from which they flow is the body of believers who revere my name and love me unconditionally, whether circumstances are favourable or unfavourable.

From that strong well come forth the three fountains of relationships, recognition of the importance of the children and young people and thirdly the commitment to tithes and offerings.

Life is flowing and gushing and is sustained and maintained from these three fountains. Relationships bind and hold together with cords that cannot be broken, children are captured and harnessed for the Kingdom and tithes and offerings support and enable every activity”.

Even as I have called you, I will equip you, but as a soldier needs to go to the General to receive his orders, so each teacher needs to come to Me, individually each week, to receive the orders of the day. It is not so much the lessons that you teach, what is more important is obedience to My Spirit. When a child is hurting or discouraged, I will tell you to give them a hug. When one has news to share, I want you to take the time to listen and make them feel important, because they are so very important to Me. Welcome every child as I would welcome them.

The message of the heart of each teacher is even more important than the message of the mouth. Teach My Word, it will not return void, but wait on Me every Sunday; it is not so much the content of the message, but the obedience to My Spirit, and standing in the gap in prayer for covering and protection for my children. Take the time to protect them in prayer; as the herd stands together to protect their young, you need to stand together to protect my children.

## **19 1<sup>st</sup> January 2007                      Message for the year**

2007 is going to be a watershed year. We will no longer be able to sit on the fence, but will need to make definite choices and decisions. These choices must be based on God's Word and His wisdom. Rev 18:2 & 4

## **20 14<sup>th</sup> January 2007                      White sheet**

This morning the Lord showed me a white sheet that floated down and covered us as a people and I sense God saying

“My people this is a year of sanctification – a setting apart of you for my purposes only – that sheet covers you all – I am enveloping you so that not one is missed. Each one is important and each one is called to enlist for service – it is only in unity and being one in purpose that My plans will be achieved – close ranks and focus on Me as the Commander-in-Chief and together we will take ground – that sheet is My covering over You – My righteousness, purity and protection – willingly come in under it and lock in – set aside you own agenda and pick up My commission for you this year and you will sense the invigoration and thrill of being an instrument in My hands.”

## **21 21<sup>st</sup> January 2007                      Castle with a Mote**

I saw a castle with a mote – it was night time and the lights twinkled from the windows and I sense God has a word for someone or many here today and He says:

“I am the castle of protection around your life – you are fearful of many things – your safety, your insufficiency, your circumstances - do you not see the mote about your castle that flows with My provision, safety, protection – it is an impenetrable hedge about you. Rest secure, there is hope, there is light in your darkness and desert experience – there is encouragement – because I live, you can face tomorrow. Enter my Sabbath rest, allow Me to carry you, enfold you, embrace you – wipe the

tears from your eyes, take My hand and let us journey together – there is much ahead, do not shrink back – I take no pleasure in those that let go and shrink back.”

## **22 28<sup>th</sup> January 2007 Paving Stones**

I saw paving stones being laid – the ground had been leveled and prepared and the pavers were large and heavy. They were being placed and tapped into position and once again levels were checked and I sensed God saying:

“Those paving stones will endure much traffic over many years and the initial preparation will be well tested over time – I am busy laying pavers in this body and I am carefully bringing together the necessary blocks so that they will bear up under the expansion and growth that I envisage – it is only when one part of the foundation is in place and carefully leveled and tapped in, that I will introduce the next so that there will be no shifting and flaws in my structure – lock in with what is happening so that you individually, will bear up under the weight of expansion – lock in so that you will embrace change when a new dynamic is tapped into the structure so that you are solid and rooted in Me – immovable when tensions and stresses are experienced”

## **23 28<sup>th</sup> January 2007 Move of God’s Spirit**

I saw a picture of faces of people that I know and as I looked at the faces I couldn’t remember the names and I believe God is saying that He is bringing a move of His Spirit on this church, and it is going to be something we can’t take the credit for, it is going to be a move of the Spirit that is accompanied by signs and wonders, where the Lord does not share His Glory with us, where the people who are doing the things are not important, and He will do this work, if we are prepared to step back and let Him do the work.

## **24 1<sup>st</sup> February 2007 Pending Property**

### **Mark 8:23**

Jesus asked “Do you see anything?” and I sensed God wanted to show me a picture or say something regarding the pending property –

I saw a small aircraft, a four or six seater landing and several people eagerly rushed out to meet those who were on board and I sense God saying:

“That small aircraft landed without any fanfare and it was not the pilot’s skill that was received with enthusiasm but the arrival of those aboard that caused the excitement so too with the purchase of property – I am the One facilitating the landing of the deal, but it is the vision of what it could herald that is causing the excitement – it brings with it the unfolding of my plans and purposes in this area – it is the initial happening, the initial ‘tick’ and sense of ‘DONE’ and all else

follows. Go with confidence I have already delivered it into your hands – do not worry about what you will say, because I will give you the words you are to speak”

I sense too that the 1-02-2007 is significant, the digits add up to 12 – God’s governmental number:

- 1<sup>st</sup> – the start of the new month and new beginnings
- NB 12 – Jesus was 12 years old in the temple when He began to teach.
- Joshua 4:2 Joshua chose 12 men and put down 12 stones where they were to \*stay
- Jesus chose 12 disciples.

## **Spring Tide**

I saw a wave breaking on the beach – it was spring tide – the wave was large – it foamed and roared and broke and rolled further up on the sand, because of the season – and I believe God is saying to us as a Body

“You are in a spring tide of My dealings and purposes – the tide of my favour, provision and outworking is rolling further up your beach of anticipation and it brings with it great promise – enlarge the place of your tent, increase your expectations and prepare yourselves spiritually and practically, so that you will be able to embrace that wave – it will fill every pool and bring life, freshness and joy and above all else will glorify My name. It will break over the stones of this and all surrounding areas – many will be touched and caught unawares as it reaches unprecedented heights and it is this wave that is heralding My Lordship over this area and establishing My presence here.”

## **Jeremiah 29:11**

Jeremiah 29 :11 “For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future.”

God knows what He is doing, He prepares the table in the presence of His enemy

## **Psalms 37:3 – 6**

Trust in the Lord and do good; dwell in the land and enjoy safe pasture. Delight yourself in the Lord and He will give you the desire of your heart. Commit your way to the Lord; trust in Him and He will do this; He will make your righteousness shine like the dawn, the justice of your cause like the noonday sun.

Delighting and resting in God

**Overloaded small truck**

I saw a small truck that was ridiculously overloaded and felt God saying that the land may be small and not our focus but God will use it as a vehicle to bring so much more, abundant blessing.

**Isaiah 54 : 15 (Amplified)**

Behold, they may gather together and stir up strife, but it is not from Me. Whoever stirs up strife against you shall fall and surrender to you.

**Leadership**

I asked the Lord what we needed to do to prepare for expansion and He showed me the shoe laces on a running shoe being pulled up tight and I sensed Him saying:

“Tighten up on all existing procedures. If that shoe was not drawn together by that lace it would be impossible to keep it on when running – it would be a hindrance, and not what was intended. It is there to cushion and facilitate – to enable one to keep going over the long haul. So too, will existing procedures facilitate, if they are tightened up and in place when expansion accelerates. Adjustments can be made when numbers swell. Each one must lock in to make a secure net, so that you will lose none of those I give you. Relationships with ME and one another must be strong and real, so that they can buffer growing pains and misunderstandings as numbers are added. Flexibility is important, as in expansion joints, but the basic structure must be sound.”

**Mountain & Wind of Spirit**

God gave a vision – at prayer meeting, lots of people all looking up a steep mountain. I and others were walking through the people, could see the mountain from far and many were walking up the mountain. When I got to the top I was watching the people and saw they had parachutes, I looked down and saw I also had one and although I knew how to use it did not know how to pack it. Then a man came up to me and others and said to put it down and he will show us how to pack it. While he was doing this looked at the other people and they were standing on the edge of the mountain trusting God for the wind of His Spirit to take them off the edge and to make the most of the wind. Felt God saying we have got to the top of the mountain and packed our parachutes with His help and guidance and now we must get ready to run off the edge of the mountain and trust His Spirit to take us, Christ is the Way the Truth and the Light. And I saw that the more people saw people flying off the mountain, the more the people at the bottom saw the people at the top were trusting God and His Spirit, they were encouraged to climb up the mountain.

**Property – Hole-in-one!**

I saw a golf ball being putted into the hole on a green and God says:

“You have made a ‘hole-in-one’ – always obey before you sacrifice and I will lead you into your promised land here in Modderfontein – you will become a wellspring of my love and bounty in this place – you have staked your claim and I shall open the windows of heaven and bless your endeavours in this place – you shall open springs and dig wells in the Valley of Baca – rivers will flow in these spiritual wastelands and I shall bring rain in season. Hoist the flag of My Kingdom and you shall be a beacon of light in a dark place and from this place you shall impact the nations of the world.”

### **33 11<sup>th</sup> March 2007**

### **Floods – Rescue Operation**

During the prayer meeting I saw the following picture:

I was standing at the edge of a town looking down a street.

I then noticed that water was flowing down this street. As I watched, the water rose and spread and I realized that this was the start of a flood.

As the banks of the swollen river broke, the flood waters swept in, filling every building in its path.

We have all seen pictures of floods on the TV news - of people on roofs or floating down the floodwaters, winds lashing the trees while helicopters and boats come to their rescue. This was similar.

I believe that this is a picture of how the Holy Spirit will move through our area. He will come like a flood, sweeping through the entire neighbourhood. With the water all the clutter and garbage will be removed, swept away. I believe that we are like those rescuers in the helicopters and boats, ready to bring the people safely into the kingdom. Like the emergency personnel, we must be prepared – trained and equipped - to do what the Lord will require of us when He moves.

### **34 14<sup>th</sup> March 2007**

### **Rain, Faith**

Hebrews 11:1 – 3

Now faith is being sure of what we hope for and certain of what we do not see. This is what the ancients were commended for. By faith we understand that the universe was formed at God’s command, so that what is seen was not made out of what was visible.

Faith – extraordinary faith, Gift of faith. Heavy rain clouds gathering

Laying of storm water pipes to channel the flood waters. Preparation of the church to be able to handle the flood of people .

Standing in wet area, uncomfortable, must expect that we need to be ready as emergency teams need to be trained and prepared so we need to be prepared to rescue the lost and the hurting.

Psalm 68: 7 – 10

When You went out before Your people, O God, when You marched through the wasteland, the earth shook, the heavens poured down rain, before God, the One of Sinai, before God, the God of Israel. You gave abundant showers, o God; You refreshed Your weary inheritance. Your people settled in it , and from Your bounty, O God, You provided for the poor.

**35 15 March 2007**

**Young people**

Saw hordes of young people coming from all directions and filling the Modderfontein Town Hall. God is doing a different work for the youth and He has already started to draw them.

The adults must not sit back as many spiritual parents are required, prepare yourselves as there will be many children from all different spheres and backgrounds and many hurting and broken, captured in the things of the world, seeking a way out, many who don't know what it is to be loved. The Father is calling His Sons to rise up as fathers for the fatherless.

**36 25<sup>th</sup> March 2007**

**Field with Sheaves of Wheat**

I saw a field with sheaves of wheat bound and stacked on it – the harvest had been reaped, but not as yet taken for processing and I sense God saying to us today –

“My people you are the workers I am sending forth to reap and gather – you are the ones I have called to the work in this place – the fields are white unto harvest and you are the ones who need to go out, reap gather and bring in. Many are asking the question “What is life all about it?” Many hearts are sick because hope has been deferred and they need the good news of Jesus – do not grow weary in well doing, I have chosen to work through you in this place – muster your energy, set your face like flint towards the task that lies ahead. I do not have another plan for you – bring in the harvest, strategise and plan in me – and I will guide your steps and direct your paths.”

Isaiah 50:7 “I” – replace with “we”

Because the sovereign Lord helps us, we will not be disgraced. Therefore have we set our faces like flint, and we know we will not be put to shame.”

Dictionary: Flint

- Used to form a primitive tool or weapon
- Gives an igniting spark
- Used with steel to produce fire
- Anything hard and unyielding – determined, bold and courageous.

**37 30 March 2007**

**Young People**

Had a picture of young buck jumping around.

Saw an army on horseback ready for war – future prayer warriors.

Had a picture of the Lord standing with a staff. His hands were raised – protecting the children and drawing them to Him. Sense it is a prayer group of young people.

Saw Jamie standing in front of other young people sharing and teaching.

God wants to do a new thing with our youth, He is going to bring in the hordes. God says it is going to start at the camp.

Had a vision of ants, big and small ones drawn towards a sweetness. God is bringing in the people, adults and children, they are coming in! Jesus is the sweetness.

Saw a picture of Jesus standing on a hill with hands raised as the shepherd, sheep are coming, wherever you look sheep are just coming, they have heard His voice calling.

Sense the flood is coming, we need to be ready, there are going to be strategies God will give us. The harvest is ready but workers are few. Labourers hitting the stakes in deep, the deeper the stakes the firmer the tent will stand. God is more concerned about the strategy and depth than the numbers. Each work has a different tent (ministry) each ministry 's workers need to go deep, deep for their own strategy.

Picture of old food being tossed out, no left over's allowed. New strategies – can't use old strategies, with newness strength will come. See huge cathedral with high and low ceilings – different capacities. Capacity of ceiling is dependent on our faith, how we see God. The bigger the view the more He is able to do.

Tiny baby to survive needs parents to nurture and feed it. Church needs to be covered in prayer for baby to be birthed.

“ I am the Way, the Truth and the Light look unto Me, you will see what I have for Church on the Way, come to me all who are weary and heavy laden – come to me says the Lord. The victory is yours the battle is Mine says the Lord.

As we go out with joy trees will clap their hands – privilege to be going out on Sunday not a burden but a joy. This is one of the strategies He has given us.

**John 15:16** "You didn't choose me, remember; I chose you, and put you in the world to bear fruit, fruit that won't spoil. As fruit bearers, whatever you ask the Father in relation to me, he gives you.

When abiding in Christ the sweetness comes

Saw a bridge being built over a river needs strong infrastructure to withstand the flow of the river. The Lord is our strength, this will sustain the bridge.

To the angel of the church in Laodicea write:

These are the words of the Amen, the faithful and true witness, the ruler of God's creation. I know your deeds, that you are neither cold nor hot. I wish you were either one or the other! So because you are lukewarm – neither hot nor cold – I am about to spit you out of my mouth. You say, 'I am rich; I have acquired wealth and do not need a thing.' But you do not realise that you are wretched, pitiful, poor, blind and naked. I counsel you to buy from me gold refined in the fire, so you can become rich; and white clothes to wear, so you can cover your shameful nakedness; and salve to put on your eyes, so you can see. Those whom I love I rebuke and discipline. So be earnest, and repent. Here I am! I stand at the door and knock. If anyone hears my voice and opens the door, I will come in and eat with him, and he with me.

To him who overcomes, I will give the right to sit with me on my throne, just as I overcame and sat down with my Father on His throne. He who has an ear, let him hear what the Spirit says to the churches.

**39                      15<sup>th</sup> April 2007                      Idols**

MT 6:33 But seek first his kingdom and his righteousness, and all these things will be given to you as well.

JN 10:10 The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full.

I felt God saying to us to evaluate the Idols in our lives .These idols are good or seemed to be good .They are robbing us of the purposes, presence and fellowship with God .

**40                      15<sup>th</sup> April                      1 Peter 2: 11 – 12 & Psalm 51: 10 - 12**

1 Peter 2:11- 12

Dear friends, I urge you, as aliens and strangers in the world, to abstain from sinful desires, which war against your soul. Live such good lives among the pagans that, though they accuse you of doing wrong, they may see your good deeds and glorify God on the day He visits us.

Psalm 51:10 – 12

Create in me a pure heart, O God, and renew a steadfast spirit within me. Do not cast me from Your presence or take Your Holy Spirit from me. Restore to me the joy of Your salvation and grant me a willing spirit , to sustain me.

Felt the Lord saying to us that He will sustain us and we are not to do things in our strength.

**Healing**

I saw a picture of people walking up the aisle, coming up to give God the glory for healing in their lives – that people would be drawn in by the miraculous signs and wonders of Jesus' healing.

That we as a church have been going through a lot of sickness, health problems, however I felt God say we are being trained up to exercise our faith for what is to come. We must stand on the truth of His word and all that has been happening – re sickness, accidents, etc. are being used to strengthen us and for His good and glory. That we are to stand on His word for healing.

I saw the hall filled with this intense light and the people with their hands up praising and glorifying God. 'Trust Me, trust Me, take My word seriously. Just speak My word, don't do anything in your own strength. Just agree with My word and speak My word and just know that I am the God of the impossible – Trust Me – put yourselves in My hands and let go of your own agendas, allow me to lead and guide you, turn your faces to me, believe the truth of My word, draw not on your own strength, allow Me, let go and make yourselves available to be a conduit – Trust in Me.

**From Intercessory Prayer**

Youth - New thing birthed by Holy Spirit, totally different. Saw a picture of young and older people forming a chain, walking and waltzing with the Lord. He wants the church to be a family and generations to melt in together

Had a picture of an Olympic runner – sense there will be an impartation, therefore important to have the right leaders. John 17 – Jesus prayed for His disciples and the future disciples. Leaders need to have insight into the young boys already part of youth, there is already such a bond amongst those already there. In the beginning important to concentrate on bringing the men through, raising up young men, the girls will come later. The Lord is dealing with those there tonight individually, already started.

Leaders - Saw a picture of the 4 men standing back to back like an Egyptian pillar – holding the foundation. The pillars formed a table, covered with abundant fruit, many persons around serving, serving from that table. Saw a whole lot of different antique furniture – not the furniture that is of importance but the value – those serving are valuable to God's plan.

Saw Sam with little Jessica and Trish standing on the outside, don't know how to come in. Need to work together with their husbands, hand-in-hand together. Young people see a sound family, husband and wife relationships.

Saw a picture of a cameo – Ray, Sam & little one and Ray and Trish showing their love for one another. Our Father is breaking barriers and building bridges.

Colour purple flowing - God wants to cover them like a blanket in every fold, cover them (leaders and young folk) with His love. Young people know how much God loves them. See the rest of the church taking part, speakers coming into speak. Choirs of angels singing – joy tremendous joy!

Hundreds coming in like angels in white robes with candles into the Town Hall – won't contain them. Sunday school transition to youth to main church.

Saw a picture of Mark, Nicky and children kneeling together and the Father saying: “ I am well pleased with My children”

Saw an enormous chocolate cake – Jesus is slicing the cake and giving each one a slice. He knows how we enjoy it. He wants to have a party with us, to celebrate with us. He doesn't want it for a few but for everyone at all churches. Wants to draw the body together.

**Corporate Prayer**

As a church I believe God wants to take us on a very important and significant journey. He wants us to function as a TRUE family. He is going to show us as adults where the gaps are and how to fill the gaps and who is to fill them .He will lead us, as we are sensitive to the Holy Spirit. He wants to bring complete restoration to those youth/children who have come from broken homes, abusive home environments through those who have been restored in those areas. He is calling together a young, fit and effective army of warriors to lead the next generation.

His call is not to a selected few but to the whole church no one is excluded. Everyone has a role and influence in a family. Please prepare your heart, adjust your mindsets, make yourself available to the Holy Spirit so He can flow through you and touch the lives of our children and our youth.

Some he has called to be fathers, mothers, grannies, grandpas, brothers, sisters others impart/deposit wisdom, compassion, patience, kind heartedness, show perseverance, others will be a safe place, a haven of rest, generous, hospitable. There may be times where we show different parts of Gods character/heart to different children allow the holy spirit to teach you, lead you and guide you so that we can be representative of how God designed family. Then the brokenhearted will have opportunity to witness how God designed family to work..

Let's enter this journey with the Lord with open hearts and minds ready to put ourselves in the midst of the work He needs done. Through this we will see His anointing and power in our midst. The fruit will be our testimony of who God is, His power, His heart and his faithfulness.

There is no quick fix it is a process which requires our commitment and availability for him to do this in Church on the way and in the people He wants to bring thro into His army to complete the job in the next generation.

Are you ready and available to be part of this journey with our King???

Had a picture of the tower of Babel and the confusion amongst the people when languages were changed and there was disunity amongst them. I felt it was as though the evil one was wanting to cause chaos /disunity among our future leaders as they would then not stand together and move forward, as one united body.

**My Bride**

As I waited on the Lord this morning He showed me bride covered by a full length veil – she had a wreath on her head made from the tender branch of a willow tree and I sense the Lord saying to us as a body:

“You are My bride betrothed to Me by the blood shed at Calvary – you are set apart by the veil which covers you – that veil is My covenant of the New Testament ratified by faith – your name is in the registry of the Lamb’s Book of Life – I have set my seal of ownership over you. I am a jealous God and will not give my glory to another. I guard our relationship jealously as a mother hen guards her chicks. I am watchful over you and desire to give good gifts to you My children. Keep your eyes fixed on Me as a bride on her husband. I have called you mine and taken ownership of you. You are cleansed and renewed by the washing of the Word and I shall present you to myself without spot or blemish. The blood is My seal of ownership. I love you with a never ending love”

Note: The willow tree is the first to come into leaf in spring and signifies new life!

**Leadership Meeting**

Sense we need to take the word given tonight and as we apply it God will turn the world upside down. Freely, freely received, freely give. Had a picture of a tree at the end of winter. The tree effortlessly draws the sap through to the leaves and fruit, so we will emanate His life in effortlessly sharing and giving out – His Life will sustain us.

Walk by faith, be led by the Holy Spirit, not pre-plan, just rely only on the Holy Spirit to let things happen.

Had a picture of an aircraft carrier – base for fighter pilots – leave and go and come back. Focus on building and building well, God is releasing people to go out and come back.

**Shelter made from timber**

I saw a shelter made from timber, and with branches and vegetation loosely laid on top as a covering – it was not impervious to rain, wind and cold and I heard the Lord say –

“Your shelter is not what you see in the physical, the roof over your head, your gates, fences, burglar bars, alarm systems and bank balances – they are as futile as the shelter I have shown you and merely give false security and a semblance of protection. Arise from your slumber – protection and security is only secure in me – establish your identity as a child of the King – your destiny is only secure in Me - there is no other who will keep you safe. The winds of adversity are cruel and relentless, outside of My protection and overshadowing. I will shelter you in the cleft of the rock, seek first My kingdom and all else will be added unto you. I will filter all the happenings of your life through My fingers of love and bring you through victorious. You will finish your race strong – the hurdles will strengthen and transform you into the likeness of Jesus, but will be chosen and tailored specifically for you. Come to Me, be focussed on Me – store up treasure in heaven and be set free from yourself and come into the liberty of life in Me. Establish and build My Kingdom, giving, no thought to yourself and I shall build your kingdom. Abandon your life to Me, lay it down and give it up.”

**2 Streams**

I saw two streams or rivers flowing together into one swift flowing river and I know the vision was for us as a church. The river swelled and flowed with increasing momentum until it burst it's banks and flooded the surrounding terrain. God says:

“These rivers are flowing into and out of this church – one is of believers and the other, of those who do not yet know me – I shall meet them here, and together a river of formidable force will flow forth to flood this valley and the nations of the earth. I have selected and handpicked those who are to form the two tributaries and will burst the banks of anything you may have dreamed or conceived. My hand is upon this work – not one is here by coincidence or by a mere happening – you are here by my ordination to serve my purposes in this generation – arise and be watchful – understand the times”

**Next big wave**

The Lord showed me surfers, sitting on their boards and paddling out in anticipation of the next big wave. They were riding the swells lazily, enjoying the apparent clam and I heard God saying:

“Brace yourselves for change – anticipate a wave of increase – a time is soon approaching when you will need to stand on those boards and with every skill you have, you will have to negotiate the wave of increase – a moments distraction or daydreaming will cause you to be dumped and dazed – you will have lost your footing and be searching for your board. Be as eagles soaring, and watching for the next thermal of my grace and enabling, and be carried effortlessly aloft – far-sighted in spiritual matters, hearing My voice and following Me – I shall reveal My every move to those who are attentive to Me and know My voice. Your intimacy with Me will be the balance you need to ride the board and soar on the thermals.”

**Ram in thicket – God's provision**

I saw a ram in a thicket and God reminded me of His provision for Abraham and He says to us today:

“My provision for you too is complete. Abraham believed and it was credited to him as righteousness – he received the promise of multitudes and yet was prepared to sacrifice Isaac, through whom the fulfilment was to come, because of his absolute confidence in Me and My promise. Draw asides and allow that confidence to grow in your life – it is in intimacy that divine exchange takes place – My heart is laid on your heart – your filthy rags are exchanged for My robe of righteousness. I have provided Jesus, My sacrificial lamb – appropriate Him into your life, believe and see the fulfilment of My plans and promises. There is a ram in the thicket for you, whatever you need is, open your spiritual eyes and ears and see what My provision is.”

## **50      22<sup>nd</sup> July 2007      Eiffel Tower**

This morning God showed me the Eiffel Tower and focussed my attention, not on the lofty height, but on the extent and strength of the base – also on the area covered by the base and I knew He had a message for us. He says:

“The success of any edifice and the guarantee that it will weather the passage of time depends on the depth and strength of the foundation – the house built on the rock Christ Jesus weathers the storm, so I call on each and everyone to lay down their lives and lock in, as this foundation is laid – My plan is for a lofty structure, but this will depend on the strength and extent of the base, the foundation, that is laid in these formative years. Those that have hidden agendas and are self-willed and pulling to the left or right of the vision, cause cracks and tensions that weaken the whole. When I lay my SPIRIT LEVEL on the base it is those folk that cause the irregularities and halt the work and slow down the progress of My plans and purposes. Die to self and lay yourselves into the work here in this place.”

## **51      2<sup>nd</sup> September 2007      Windmill in the Karoo**

The Lord showed me a windmill in the Karoo – its visibility was stark and unhidden because of the flatness of the terrain and it moved only when the wind blew and I sense Him saying to us as a body:

“ My purpose for you in this place is to be as that windmill – visible in the spiritual realm – standing as a giant, firm and unmoved except when the wind of My Spirit blows, picking up even the slightest movement and being as a pillar of fire by night and a cloud by day – your spiritual resources will be as the reservoir beside the windmill where many will come and drink of Me – you will “draw up and give out”, “draw up and give out” – the atmosphere about you and the ground beneath your feet will become boggy and pregnant with Me, so that those who draw near will have their spirits touched and their hearts moved”

## **52      30<sup>th</sup> September 2007      Flag of the Kingdom**

I saw the flag of the Kingdom being hoisted and we all fell in behind it and I heard God say:

“This is a new road, you have never been this way before, but your guide is not a new guide. I have absolute clarity on where I am taking you and I know My purpose for you. With confidence, gather and be ready and willing to be obedient to My call – listen for your marching orders, watch for the cloud by day and the fire by night. Be devoted to one another, leaving none by the wayside, but rather, gathering as you go. You will hear a voice behind you saying ‘This is the way, walk in it’ The road is new but the guide is old”

## **53      7<sup>th</sup> October 2007      Flamingoes**

I saw flamingos standing and wading in an estuary – their long necks enabled them to dip effortlessly into the water and procure their food, and I heard God say:

“Each of you who I have called to this work is uniquely adapted and enabled for the purpose I have ordained. Your gifting and natural talents are well suited to this environment and these circumstances. I have carefully selected and called each one – I am the only one who knows where this work is going and what needs to be accomplished – be confident therefore and fully persuaded that you are who you need to be, and you are here for such a time as this. Understand the times, stand shoulder to shoulder, close ranks and see the wonderful things I have in mind for you individually and corporately. You are My chosen ones.”

## **54      28<sup>th</sup> October 2007   Swallows on telephone wire**

In a vision God showed me the swallows on the telephone wires as they muster & prepare to fly North for His provision of food and suitable climate and I heard Him say:

“Are you prepared to fly due North and put behind you the enticement and distractions of the world? Do you trust Me for My provision and know that it is found in the place of intimacy with Me? Are your spiritual muscles flexed and ready for the journey with me? Can you trust Me as your guide and enabler when the journey is tough and the end of difficulties and trials are **not** in sight. Do you sense the thermals of My love that bear you aloft when the storms of life are upon you and the way forward is through the Valley of Baca – do you make it a place of Springs and go from strength to strength? Today I am calling you and inviting you to fly due North **with ME.**”

## **55      4<sup>th</sup> November 2007      Umbrella turned inside**

Last night whilst checking e-mails on the computer I had a flash vision of an umbrella turned inside out in a gust of wind and pelting rain, and experienced the feeling of being swept off my feet and I sense God has a message for one or several in our midst and He says:

“My child I have seen your bewilderment and sense your stress and confusion as your world has turned inside out and you are reeling and confused and feel you have lost control. Nothing takes ME by surprise, I am the same yesterday, today and forever and My understanding has no limit. There is no trick of the evil one that outwits Me and I am here to take your hand, steady you and bring stability and peace into your seemingly chaotic circumstances. Look up and be assured that you are not alone, but that I am in the with you. My Holy Spirit is beside you and in you to shoulder the burden and free you up. Be strong and courageous and I will bring you through victoriously.”

## **56      25<sup>th</sup> November 2007      Hearts at feet of Jesus**

As I awoke this morning I had a vision of hearts being laid at the feet of Jesus and God says –

“As gifts give messages of love and goodwill, so is the gift of a heart a symbol of love, devotion and submission. Today I call you to surrender your hearts to me, bring them willingly and lay them at My feet – I desire ownership of your heart. Your heart, is you, and I long for you. I long to be Lord of your life, Lord of your spirit, your emotions – Lord of your thinking, Lord of your possessions – I desire that you live and have your being in ME. I long to be the hub of your existence; I desire that your life be an instrument in MY hands that I may further My purposes through you individually and corporately. Bring Me your hearts of love and gratitude and lay them at My feet, that is the gift I desire.”

## **57      2<sup>nd</sup> December 2007      Upturned wheelbarrow**

This morning God showed me an upturned wheelbarrow – of no use to anyone! ..... but when the right side-up it could perform a useful task. It has no engine and no sail to catch the wind – it is designed for human involvement and I heard God say:

“I only work with people – I have no other plan – My desires and purposes are only accomplished by people. When I show you or make you aware of a task, a spiritual wheelbarrow I have revealed it to **you**, and no other, because My desire is for you to be involved. There is no need to pray and ask if it is for you! When My plan is revealed to you, it is **My invitation for you to join ME in accomplishing that task**. Be aware of the spiritual wheelbarrows I lay in your path – a phone-call, a meal, to listen to a child, to pray for a need, when you do **today** what I have shown you – you are in the centre of My will”

## **58      23<sup>rd</sup> December 2007      Container being drained**

I saw a container being drained at one end and filled at the other end and God says:

“My desire is to fill you anew and afresh, but it is not possible to fill when a container is already full. Empty yourselves of all that is self, your will, your ways, your desires, your plans, your agenda and your aspirations – all that is you, and let me fill you anew with all that is Me - My life, My ways, and My will. My fullness will bring peace and contentment – you will be through with the ways of the world that bring strife and disharmony. Empty yourselves – lay it all down – give it all up – and you will find the way of fullness and joy.”

## **59      13<sup>th</sup> January 2008      Ivy Leaf**

As I awoke this morning the Lord showed me an ivy leaf and I was reminded that the creeper can only move upwards if it has a support to cling to and when removed it leaves its mark on the support and God says :

“You as a body will only fulfill My purposes and grow in the Spirit if you cling to Me as your support. Each one needs to dig deep into My Word and be rooted in Me, so that you will not be blown about by

every wind of doctrine. We, you and I, need to flow as one, inseparable and secure – immovable and unshaken by the circumstances of life – calm and focused as the storms batter and rage – then you will achieve My purposes –you will leave your mark – the mark of Jesus and we will take back the ground the enemy has stolen.

**60      27<sup>th</sup> January 2008**

**Lone fisherman**

In a vision God showed me a lone fisherman waiting patiently for a catch. He understood the weather conditions and the bait necessary for what he hoped to catch and God says to us:

“Be fishermen for the Kingdom – fish are brought in one at a time and that is my strategy for you, one-on-one, be prepared in season and out of season to share your testimony, have a hearing ear for the promptings and whisperings of My Holy Spirit, so you may strike at the right moment. Oft times it is necessary to allow the one who has received the nugget of truth to run with it, but you must be sensitive and watchful to follow up and bring them in when they have run their course and come to the end of themselves. Others will take the truth quickly and come into the Kingdom with ease. Know the times and be instruments in My hands as I bring the rain in this place – the lost are precious and you are those ordained to bring in the harvest.”

**61      3<sup>rd</sup> February 2008**

**Building Site**

This morning I saw a building site – the foundation had been laid and the builders were erecting the first corner – they were very busy ensuring that it was at exactly 90° angle with spirit levels, because that would ensure the rigidity of the rest of the building and God says to us as a church:

“Jesus is the chief cornerstone, behold I lay a stone in Zion and all angles and all aspects of my church must be taken from Him. The Word, Jesus, is the blueprint and the plumbline, and anything that is not of Him will not last – there will be no rigidity to the structure – it will be on shifting sand and in time its collapse will occur. Build on the Rock Christ Jesus and lay your plans in Him – allow Him to sanction the passing of the plans – He is laying down foundations of pure gold in each and every one of you to bring you forth as pleasing to the Father. Be open to the prompting and correction of the Holy Spirit so that you as living stones can be built into His church.”

**62      24<sup>th</sup> February 2008**

**Building 2Sam 7:10-12**

As I sought the Lord’s heart on the scripture in 2Samual 7:10-12 I saw wheelbarrow loads of concrete being poured into foundations – there was no concrete mixer on site and God says to us:

“I know your deeds your hard work and perseverance and you have not grown weary. I am calling you to build My house in this place and then I will build yours. Bring in the raw material one barrow load at a time and I will provide the next. Keep your eyes on Me and I will take care of the trowel and the plumbline. You will not understand the provision – it will come from the four winds of the earth – My arm is not short and My love for you is more than you could ever comprehend – hear today what I say

and be obedient and tomorrow will take care of itself – take joy and delight in what I am doing and bring glory to My name in every endeavour.”

Haggai 1:15 They came and began to work on the 24<sup>th</sup> day of the month....TODAY is the 24<sup>th</sup> day and I sense in the Spirit there is a commissioning!!!

## **63            2<sup>nd</sup> March 2008                      Farm road & gates**

I was reminded of the inconvenience of being on a farm road and having always to get out of the car, open the gate drive through, get out and close the gate. Many of those gates are difficult gates, they either are rusted, not well cared for or otherwise they drag on the ground because they have sagged and one has that difficulty in opening.

I just sensed that God is saying that many of us have gates to different aspects of our lives and we keep those gates closed, either because of the pain of opening up or it might even be the shame of opening up and our spiritual lives are blighted as a result of that. The Lord doesn't have access to those areas that we close off. He has given us a free will to open or keep those gates closed. We can yield by opening and allow the cleansing and healing of the Holy Spirit or we can avoid that by keeping the gate closed. Then we live through life with areas of our life blighted and we impair the whole life of the body.

## **64            30<sup>th</sup> March 2008                      Crossroads**

This morning God showed me cross-roads and many of us were huddled together in the rain looking at a map and I sense Him saying:

“Do not be distracted, have I not clearly shown you the way forward. Do not open umbrellas and put on your raincoats, but be open and unprotected from the rain of My Holy Spirit – it is He that knows the deep secrets of My heart – it is He who has been sent to lead and guide – be open and exposed to Him and He will lead you into all truth. It is He who would take you through that busy intersection with so many distractions, many so inviting! Stay single-minded and focussed – do not look to the right or to the left but keep due north – I have so much for you, growth personally & corporately – expansion that you, as yet, have not comprehended. Come through the crossroads together, do not leave any behind – embrace & encourage those that waver and are looking for the way forward – come through together – love ME and those I have given you and know the signs of the times”

## **65            6<sup>th</sup> April 2008                      Road being surfaced**

As I awoke this morning God showed me a road being surfaced – layer upon layer and He says to us:

“Just as palm branches were laid down for my Son’s triumphal entry into Jerusalem, so I desire that you lay your lives down for my entry and access to this area – it is in sacrificial giving of yourselves that a harvest of souls for My Kingdom will be achieved. When you feel you have given **all** for My sake, give again, and you will find it is out of my overflow, that you will be energised and refreshed, to give again and go the extra mile. Get rid of encumbrances and distractions that would take you off-course and away from My purposes and continue to lay yourselves down to make that highway of entry and access for Me!”

“What good is it for a man to gain the whole world, yet forfeit his soul?”

**66      27<sup>th</sup> April 2008**

**Storm clouds gathering**

I saw storm clouds gathering, pregnant with rain and God says:

“Prepare for the new season which is afoot – sharpen your plough shares and turn the ground that lies fallow. You can see the clouds gathering. Have your seed ready, so that sowing can take place after the first rains. All that I have called are enabled, it is only a willingness and obedience that are required, and together we will gather the nations in this place.

**67      4<sup>th</sup> May 2008**

**Sails of a yacht**

I saw the sails of a yacht suddenly hang limp and its movement through the water was halted and God says:

“As the yacht needs the wind and the fresh breeze to keep it moving, so does this body need the infilling and fresh breeze of MY SPIRIT. If the sails are not trimmed, to catch the wind, even though it blows, it will not be able to move. I call you today to trim the sails of your spirit and your heart in a readiness and preparedness to catch the wind of My Spirit. I have much I want to share, much I want to pour out so lift the anchor – put aside those things that cause inertia – trim your spirits and prepare for My forward thrust.”

**68      25<sup>th</sup> May 2008**

**Bird table & selection of seeds**

I saw a bird table with a selection of seeds, fruit and suet on it – a provision for every type of bird, fruit, insect or seed eaters and God says to us today:

“I love you, I have called each one of you by name – I have ordained you for such a time as this – I knit you together in your mother’s womb and I love you and desire an intimate relationship with you. See, I have prepared a table before you, but it is only in coming that you will be able to partake – open your

hearts to what I have for each of you and allow me to usher you to My table – allow Me to seat you and serve you – I am calling you to a delectable feast I have for you – this is my invitation I long to sup with you and make my home with you.”

## **69      1<sup>st</sup> June 2008      Turn eyes on Jesus**

I just had an impression in my heart today that there are many who are feeling buried under burdens of:

1. Physical illness
2. Emotional disturbance
3. Financial pressure
4. Feelings of insecurity
5. Burdens of hopelessness
6. wrong thoughts perhaps – resentment and bitterness

and I sense strongly: God says to you:

“Turn your eyes upon Jesus, look full in His wonderful face – focus sharply – do not waver from the truth, believe the word and know that “only I know” and I will open those graves and bring you up out of them – ONLY BELIEVE!

## **70      15<sup>th</sup> June 2008      Stream with well rounded stones**

In a vision the Lord showed me a stream, a fast flowing stream clear as crystal, but the focus was not the clarity of the water but the beautiful well-rounded stones, big and small, bedded down forming the bed of the river and God says to us as a body, corporately and individually:

“Be as those stones, allow My life giving water to flow over you – to round off the jagged edges and bring you to roundness and wholeness – open yourselves up to the washing of the word and the gentle nudges of My Spirit to bring beauty where there are ashes and allow Him to bed you down to form a firm foundation, a highway for ME to make entry into this area. Become polished, rounded and stable, content, not abrasive, facilitating My presence – willingly laying down your lives, fitting together as a cohesive whole, open and welcoming the refining of the Holy Spirit.”

## **71      27<sup>th</sup> July 2008      Listening and obedient**

The Holy Spirit dropped this verse into my spirit. Luke 10 : 4 Jesus was sending out the 72. “Do not take a purse or bag or sandals” and I heard the Lord say:

“You have not been this way before. I am the one who has set the path and charted the course. Be ever listening and consistently obedient as I am the one who knows where we together are going. Nothing is unclear to Me – and you can do nothing of eternal value without Me. I do nothing without first prompting and quickening your spirits and will direct each step of the way. Be open to my Spirit each step of the way – I am all you need – I shall sustain you, I shall enable you, you need nothing for the road ahead – be ever listening and always obedient.”

**72      5<sup>th</sup> August 2008**

**Thundering waterfall**

Time of Prayer and Fasting

As I was seeking the Lord’s face this morning I had a vision of a thundering waterfall and as I listened to the roar and witnessed the mist, suddenly it stopped in midair and God says:

“My blessing and favour are towards you, as that waterfall drops and is drawn by gravity so My blessing are in full flood toward you – there is the sound of the Kingdom advancing and it will reach the ears of many – that mist will be My fragrance about My people and is so attractive, but be mindful to give Me **ALL** the glory – take nothing of it for yourselves, as that will turn back My blessings and the flow will cease. I am a jealous God! Without Me you can do no good thing.”

**73      10<sup>th</sup> August 2008**

**Archers practicing**

I saw several archers practising their skills and God focused me on one in particular, who took time and great care in positioning himself and he hit the target, each and every time, and God said:

“It is in taking time and great care, to position yourself always before Me that you will hit the target of My purposes, both in your life individually and corporately. I desire and long for audience with you, where you give Me your wrapped attention, all else set aside – devoted to me and desiring to function in My call and My purposes. Together, when that divine exchange takes place, My robe of righteousness for your filthy rags, we can do all things.”

**74      24<sup>th</sup> August 2008**

**Individual – Turmoil**

I sense God has given me a message for an individual today. I saw an envelope being delivered and then saw an egg beater or whisk being used in a shallow dish and the egg flying everywhere and God says.

“You have come to this place today in turmoil. You feel you have been fragmented and flung all over the place. You have no clarity of thought and cannot focus on anything. You can see no solution to the position you find yourself in and no way to escape. My message to you is that there is nothing that takes Me by surprise and no plan that thwarts My understanding. Bring your emotions and your shattered dreams to ME. Let Me pick up the fragments and weld them together and make something beautiful of your life. Lay it all down and give it all up and COME TO ME.”

**75      21<sup>st</sup> September 2008**

**Washline**

This morning God showed me a washline – not with clothes hanging from it, but with people hanging from it, and I heard God clearly saying ....

“I am that line, I am the only secure thing in your midst – it is only in attachment to ME that you will come through the seasons and circumstances that lie ahead. The scarlet thread that saved Rahab and the line that secures you is the blood of Jesus – lock in to ME, make sure your connection to Me is alive and maintained, so that when the storms of life come, and you are blown hither and thither, you will remain grafted in and drawing the life from Me and from no other source. Be free from all other attachments – jealousy, envy, unforgiveness, the lust of the eyes and the accumulation of trivia – only hanging on or from ME, the right side up in ME - the Blood of Jesus coursing through your veins and I will enable you to weather the times and complete the race set out for you – fulfilling MY purposes in your lives – then your leaf will remain green.”

**76      5<sup>th</sup> October 2008**

**Opening curtains on stage**

I saw the opening of the curtains – a drawing back of the curtains on a stage and I heard God say –

“Are you ready? Do you know where your place is? That place that I have chosen for you. Are the prompts in position? Are the backstage crew ready? Are the lighting and sound people ready? Are the instruments tuned? Are You attentive to the call of My Spirit to be ready for what I am doing? I am launching MY plans and unfolding and revealing My strategy. This is not the time to be wandering around finding your place. Prepare your hearts so that you may respond and give attention to my promptings and the still small voice of MY SPIRIT. Be alert and watchful, it is beginning to rain and I am mustering My army. Report and be equipped for duty, mindful of what you think and speak in these strategic times.”

**77      12<sup>th</sup> October 2008**

**“Courageous”**

When I asked the Lord for a word today He gave me the word “courageous” He says:

“Be courageous, not trusting in yourselves, but have courage **in these times**, because you know who **“I AM”**. I have brought you forth for such a time as this and will not leave you in a state of despair, but will give you timeous solutions for each and every problem you face – take the first step and you will be amazed at how I will come through for you in every area of your lives. Go forth with boldness knowing whom you serve – I take no pleasure in those who shrink back, but delight in those who courageously

listen to My voice and obey the promptings of My Spirit. It is I who knows the end from the beginning and will part the waters and bring you through on dry land.”

## **78 19<sup>th</sup> October 2008 “I am mustering and Army”**

Yesterday I heard the Lord clearly saying “I am mustering My army” and this morning He showed me “open heart surgery” and He says to us:

“I am the Commander-in-chief of the heavenly armies and I am mustering My army. Is your heart condition one of willingness and readiness? Are Your eyes only on Me, waiting for the next move or My next command or are you distracted with the things of the world, the deceitfulness of riches whether those riches be good health, or the abundance of belongings or a sizeable bank balance or are your eyes on the downturn in the economy and the devaluation of the rand. Allow me to search your heart and do that surgery. Fix your eyes and heart on Me as the Author and Perfector of your faith and together we will take ground and establish the Kingdom.”

## **79 2<sup>nd</sup> November 2008 A Yield Sign**

This morning the Lord showed me a traffic sign – a yield sign – and I heard Him say:

“If you yield to My Holy Spirit I will chart your course through still waters. You will hear my voice behind you saying “Walk this way.” There is a way known to me that is foreign to man and it is a safe way – I will cause streams to flow in your desert and direct you to paths that will bring you through trials unscathed. You will grow and be fruitful in difficult and tumultuous times if you yield to the promptings of My Spirit. He knows the very best way for you – a way that denies self and focuses your emotions, thoughts and will on ME. YIELD to Me.”

## **80 16<sup>th</sup> November 2008 Jeremiah 6:16 & 17:5**

Jeremiah 6:16

Jeremiah 17:5

Every time I have turned my thoughts to the Lord, even briefly – in this last week, He has said “ Ancient paths” walk in them – and He says to us today:

“My ways are not your ways – seek the Ancient paths, the paths ordained by Me for man to walk in, and WALK in them. I have not left you as orphans but have given you My decrees – be diligent in your study of the word and the Holy Spirit will bring to mind what you need for righteousness and peace. Seek the good ways and find rest for your souls. You will be empowered for life and godliness.”

## **81 23<sup>rd</sup> November 2008 Brown paper parcel**

The Lord showed me a brown paper parcel that was ready for mailing – string had been tied around it and secured with sealing wax and it was ready! And God says to us.....

“My plans and purposes for this body are sealed and secure – I know where I am taking you – where I am sending you. I have ordained the circumstances and events that ensure the success of your encounters in Me. There is nothing haphazard or undetermined in my planning and My Holy Spirit will reveal those plans and purposes to you as you are faithful and rely on Him. That parcel of purpose was sealed before time and you are chosen as those who will bring to fruition what I have planned. Each step is ordered, many will come and go, some will fall by the wayside, but I have sent My angel before you to prepare the way and My Holy Spirit is with you to guide you along safe paths and protect you from the schemes of the evil one – you are My facilitators, entrusted with that particular parcel of My plans and purposes.”

## **82 11<sup>th</sup> December 2008 Dam Wall**

This morning God showed me a dam wall and as I waited for Him to bring revelation, the sluice gates were opened and the water poured forth and I heard Him say ----

“ That dam water is for everyone but as the sluice gates are opened only a portion is released – so too is it for My people - My Holy Spirit has been poured out for all men, but only those who are obedient receive the manifestation in its fullness – they are those who walk with Me, who look to Me for comfort and provision – who rely totally on Me, who rejoice even when I allow difficulties and tribulations, trusting Me with their very lives, knowing that I have filtered every circumstance through My fingers of love – they position themselves for the sluice-gates of heaven and live victoriously as My Spirit is poured out over them.”

## **83 4<sup>th</sup> January 2009 Tranquility**

When I asked the Lord for a word this morning, as we start the new year – He clearly said **TRANQUILITY** just one word, not a picture and then I sensed Him saying ...

**TRANQUILITY** a peaceful setting of all anxiety, all worry in the midst of the storms of recession – a quietening down and trusting Him for protection, provision, peace and His plans for the way forward –

waiting each day for His creative solutions. His way through every thicket and brier – entering the Sabbath rest – actively doing all that He shows us with abandoned obedience.

## **84 11<sup>th</sup> January 2009**

## **A Field – Wheat gathered**

I saw a field – the wheat had been gathered and tied in bundles, ready to be taken into the storehouse and I heard God say:

“I am showing you where we are going this year – the fields are white unto harvest and we together are going to bring in the harvest – there is work to be done in reaping and bundling – You waiting on Me, being obedient and allowing Me to work through you, bringing in a harvest of souls. It is I, who knows the ripeness and readiness and ‘tis I who will get the glory, as you surrender your resources of worship, time and energy, working hand in hand with Me and bringing in the harvest. Be mindful not to run ahead or lag behind, but be watchful and ready - with oil in your lamps.”

## **Victorious People**

Son, 2009 is going to be a great year. A year of mobilizing, a year of advance, a year of breakthrough.

I am raising up a people, a people of My Word, a people not trusting in their ways but in My Ways. A people totally dependent on the Holy Spirit, a people who are led not driven, a people of faith, a people of destiny, a people who are building the kingdom of God. A people who speak the Word and it doesn't return void. A people that are strong and courageous.

These are My people, a people whom I love, a people who are victorious, a people who have overcome even in diversity. A people with passion and praise for Me. A people who's treasure is in heaven. A people who will fight the good fight, a people who will take dominion and practice authority. A people of freedom and liberty, a people of grace, a people who belong to Me, a people who are mine, cleansed and washed by My Blood, a people who are obedient to me. A people who will go, a people who will stay, a people who are not fearful, a people of righteousness, a people in Christ, a people who are priests of almighty God, a people who are ambassadors, a people who know the Way, who know the Truth, a people who are living the Life.

That's My people, that's my people. They are mine and I am theirs.

This is My people, I am their God and they are My people from every tribe, every language, every creed they are Mine.

## **Swan gliding on a pond**

Last night I had a vision of a swan gliding across a pond – its movements and effort were imperceptible and yet it moved – its long graceful neck dipped below the surface of the water as it gathered its food and God said:

“As that swan is adapted to its watery environment so you are perfectly equipped to live in the spiritual. You are able to live and move and have your being in ME receiving My heart on your heart – My promptings and stirrings directly into your spirit and seeing My hand move your circumstances and touching your body in healing. Consult Me on your decision-making as I know the end from the beginning and will short-circuit your wanderings in the desert of indecision. I will bring correction of wrong-doing and will desire fellowship with you, but in partnership, we will chart the waters and scale the mountains. My desire is for you.”

## **87 1<sup>st</sup> February 2009**

## **Tents**

I had a vision of tents this morning. Tents on an open plain, not sheltered by mountains or trees but exposed to the elements and I knew God had a message for us. He says:

“I have called you to be pilgrims, a people looking for a city, looking and seeking for the Kingdom of God. You are nomads looking for pasture, spiritual pasture – a people not of this world but in this world. Travel light, do not be bogged down, or encumbered by material goods and the things of this world, but follow the cloud by day and the pillar of fire by night. Take no purse or bag with you, but look to Me for My provision, My spiritual pasture which meets all your needs – I know where the oasis in the desert is, and will bring you through refreshed and spiritually fit and able. Rise as on the wings of the eagle – see the land that is afar off- allow my thermals to carry you aloft so that you may perceive My presence, My provision and find contentment in your circumstances.”

## **88 5<sup>th</sup> February 2009**

## **Promised Land**

I believe God wants to say to us tonight that this is your Promised Land. That He has positioned us in this nation for this season because He has a reason. He has a plan and purpose for each one of us to bring His glory into circumstances and situations. As we spend time in His presence in a quiet place and receive a infilling of His Holy Spirit. As we walk out guided by His Spirit His presence is brought out into the streets and touches peoples lives and He is glorified. He who is Sovereign and seated on His throne reigning over every principality and power will be glorified in this nation. The words I have spoken over this nation will be fulfilled. I will be glorified in this nation. My ways are not your ways listen and allow My Spirit to lead you into My plans and purposes for you so that I can be glorified in this nation.

## **89 8<sup>th</sup> February 2009**

## **Tall mature trees**

Last night I had a vision of tall mature trees planted right down to the oceans edge, and a spring tide rose and the waves beat against those trees mercilessly and God says to us:

“The storms and tides are rising and you will experience relentless pressure, but bind your sacrifice, the sacrifice of your will, to the altar and stand – dig deep, be anchored in ME and STAND – set your heart like flint, determined to allow anything, not of Me, to be washed away and stand. Do only those things that are of My bidding and STAND – let nothing move you from your position in ME – and STAND. The storms and waves will recede and you will be mature and strong and bring glory to My name.”

### **Group of people with map**

I saw a group of people pouring over a map planning a holiday, an excursion , an outreach – excitement was rife and God says to us:

“You are that group of people and I have laid out My plans and purposes before you – I am showing you what our purpose is and the strategy necessary to accomplish that purpose. You are rightly excited because I have extensive plans for you. You will each need to play your part and function in your gifting if you are to fulfill My purpose and plan. Purpose in your heart today to position yourself to do all I have for you. Each one has a mandate to fulfill and a responsibility to the body as we move forward. MyHoly Spirit is the revealer of My plans and the deep secrets of My heart and He will open up the map to you as you gather round and are commissioned. “My plans are good plans, plans to give you a future and a hope. Your life is not your own, it is not for you to direct your steps.”

### **Prophetic Picture**

I just wanted to send this prophetic picture and what I felt God saying to us and the Church.

God reminded me of the following picture from Neil’s message last year during the prayer meeting on Wednesday,

This picture is from the movie 300 and is a picture of what is called a Greek Phalanx. Now a Greek Phalanx is a warfare style where your shield covered the half of you and half of the person to your left. They would have there spear in there right hand and a sword at there side. They would form rows and rows of men where the ones behind you were pushing the ones in front. The whole basis of this formation was the strength of the man next to you, unity, and your shield. If one fell they all fell!

I felt God say 3 things:

1. We need to hold together in these times. We need to tighten up our ranks for the attack that is already at hand at for the ones to come. We need to stand united as a body and has the Church.
2. We need to raise our shields of faith Ephesians 6. Felt God say to me long ago that the whole armour of God is amazing, but without faith you're dead. Can you imagine a Greek solider like one pictured above running into battle with everything but his shield. Sure he would stand and fight, but eventually he will get hit with an arrow and fall. We also need to raise our faith for others as well.
3. We need to position ourselves between the rock of offence and the righteous right hand of God. In the picture above the fighting scene takes place between two mountainous walls so the attacking forces can only attack head on. So we need to make sure that as we move forward we do not compromise on who God is and what He has done and is doing.

An interesting thing to note is that a Greek Phalanx is an OFFENSIVE fighting force.

**Willow Tree**

I had a vision of a willow tree green and lush, beside a stream of clear water and God says to us:

“Be as that willow tree – it ushers in the new season! It shows green and life when all else is dormant and appearing dead. Be a people who are drawing up from the life giving water of the Holy Spirit, full of hope and the first to show signs of a new season even when all else is drab, despondent and speaking doom and gloom. Arise and shine and your leaf will not wither, but be green into the full span of life!

**93 22<sup>nd</sup> March 2009**

## **Crystal Clear Stream**

I saw a crystal clear stream flowing over a river bed of stones – well rounded and washed – over ions of time, and God says to us:

“Keep your vision of Jesus as your sole focus and you will find a contentment and peace that would otherwise, be impossible as stressful times seem to crowd in, allow the washing of the word to bring peace and contentment. Be bedded down and secure in Him – trusting Him for provision, healing and right attitudes in all situations. When your vision is clear and the river of life is flowing in your life, you will come through as shining lights in dismal and dreary conditions.”
